

# 2009 High Tech Fair! Immerse and Inspire San Diego Students with Science and Technology

Wednesday, March 11, 2009

8:30 a.m. – 2:00 p.m.

Wyland Hall, Del Mar Fairgrounds

Join us at the 2009 High Tech Fair to immerse middle and high school students in science and technology in San Diego!

Network with scientists from cutting edge high tech and scientific institutions in San Diego and inspire students with real-life applications of science and math.

*50+ exhibitors represent the following scientific strands:*

- Aerospace / Transportation
- BioTech / BioMedical / Pharmaceuticals
- Computers & Software
- Conservation / Environmental Science
- Electronics / Engineering
- Energy
- Robotics
- Semiconductor / High Tech
- Telecommunications / Satellite Communications

Over 2500 7th - 12th grade students participate annually. They are eager to learn more about science and technology and value the opportunity to see real-world applications of what they are learning in the classroom! There is no cost for schools to participate; public schools are reimbursed for bussing costs (one bus per school).
